Monday 5/22 - 11:00am-1:00pm

Drop off and Pickup Information

All Pre-K and entering Kindergarten children should be walked in by an adult or older sibling (who is able to clearly state their first and last name to an adult volunteer) each day. If an older child is bringing in a younger child, they must stay with them until the child is fully checked in and taken to their classroom. The older sibling can then check themselves in.

1st-6th grade children who are able to clearly state their first and last name to an adult volunteer can be dropped off under the Gym awning on the West side. Doors will open at 9:00am each day.

For the safety and security of ALL children, we are only utilizing a drive-thru option for pick up. Inside your packet you will have a large car tag with your child's name for you to place on the inside windshield upper passenger side. Also inside your packet will be a daily pick up ticket that the attendant will take to retrieve your child. Please make sure pick up tags are fully filled out and ready prior to entering the parking lot.

*****PICK UP TAGS ARE REQUIRED FOR CHECKOUT*****

If you do not have your pick up tag, you will be asked to park, come inside, and show your ID for us to release your child.

Safety is our top priority. Please be patient with us as we make sure all the children are dismissed safely. Our parking lot team consists of volunteers who are working hard to make sure things run smoothly, please be kind to them. Also, please do not block driveways of residential homes during this time.

If early pickup is required, you must bring the pickup tag and/or ID into the lobby BEFORE 11:30am.
